Mr. and Ms. Sprunger:

Please complete the enclosed Form 3809-5, "Notification of Change of Operator and Assumption of Past Liability", to indicate your change of address. This change of address is specifically for you as the operators of the Cubical #2 mine, and any future change of operator action would require the submission of a new completed Form 3809-5. Two copies of Form 3809-5 are enclosed.

Your Cubical #2 Mine is located in the northern Thomas Range in Township 11 South, Range 11 West, NE of section 30; Salt Lake Meridian (SLM), in Juab County, Utah. Your pending Plan of Operations for mining was previously assigned BLM case file number UTU-85667. The corresponding Utah Division of Oil, Gas and Mining (UDOGM) case file number is S/023/0057. Please refer to these numbers for any future communication concerning the Cubical #2 Mine.

The Cubical #2 Mine has been under two BLM case file numbers: UTU-70641 (expired April 22, 2006) for an exploration Notice and UTU-85667 (pending) for a mining Plan of Operations. The Plan of Operations will be changed by the BLM from Pending to Authorized status when the total required Financial Guarantee, or reclamation bond, amount of \$10,138.00 is received by the BLM or the UDOGM. The total reclamation bond amount must be submitted only once, but both agencies must approve the reclamation bond before you may begin operations at the site.

Your current reclamation bond amount of \$1,110.00, held by the BLM, will be transferred from expired Notice UTU-70641 to the BLM case file number for the Plan of Operations at the location, UTU-85667. Please refer to the Plan of Operations number, UTU-85667, in any submission of additional funds or any request for a reclamation bond refund.

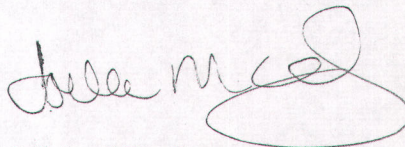

Please return the completed forms to:
